Davis | 88 kW (120 HP), Multijet 120, 6-speed manual gearbox

▶ Seat belts supplied as standard

## Standard Equipment | Davis

### Superstructure

- Superstructure painted in silver metallic
- Roof rails
- Side skirt
- 2-tone furniture design "Beech, White Stream"
- Reading lamps
- Insulation on the side walls and floor and roof
- Electrical boarding step
- Air-Top 3500S Diesel heating
- 3-point safety belts (superstructure) Da 590 FB
- Central locking for the entire superstructure
- "Lagano" upholstery in the superstructure (living room upholstery/cushions/curtains)
- Fitted carpet in the driver's cab and living room
- Large storage space under seating group 540, under fixed bed 590
- Swivel dinette table (540)

### Kitchen

- 80-litre refrigerator
- 2-ring hob
- Kitchen cupboard accessible from inside and outside

### Toilet room

- Shower
- Cassette toilet
- Mirror
- Shower mat
- Corner washbasin

### Water supply

- Freshwater tank (frost protected) 100 l in the interior
- Wastewater tank (frost protected) 90 l, heated
- Freshwater pipe system frostproof in the interior
- Insulated fixed pipe system for wastewater
- Water pump
- Hot water boiler 10 l

### Electrical installation

- Electronic control system for superstructure electr. system
- Electronic board control panel with additional functions
- Automatic charger 20 Ah
- Superstructure battery 100 Ah

## At a glance

- Superstructure painted in silver metallic
- 88 kW (120 HP), Multijet 120 - Engine, with 6-speed manual gearbox
- Airbag for driver and passenger
- Anti-slip regulation
- Air conditioning
- Radio with CD
- Central locking for the entire superstructure
- Roof rails
- Side skirt
- Electrical boarding step
- 2-tone furniture design
- Bathroom with washbasin cassette toilet and shower

- Complete paintwork in silver metallic
- Bodywork winterproof
- Aluminium section for floor/wall joint
- Double floor (insulated and heated storage space)
- Walls (30 mm) and GRP roof (32 mm) with high quality XPS foam and GRP inside (with vapour diffusion block)
- High quality XPS foam sandwich floor (38 mm) with GRP downside
- 2-tone furniture design "Vermont Walnut, White Stream"
- Material design package "Yellowstone" (upholstery cab and body/cushions/curtains/coat rack)
- Modern living world with double-seam upholstery
- Adjustable reading lamps
- Electrical boarding step
- Trumatic heating system C-4002
- Function valve
- Hinged alcove floor
- Alcove heated and insulated
- Separating curtain to driver's cab
- Single key for body
- Superstructure door with window

## Kitchen

- Roller-guided metal slides
- Deep wall cupboards, base with retainer bar edges
- 117 litre Dometic refrigerator
- Cooker hob (inset with glass cover) 3-flame
- Bottle drawer of metal
- Floor cupboards with deep drawers and large, elegantly shaped handles
- Kitchen in matt-white acrylic

## Toilet room

- Inset wash basin
- Cupboard under the basin with folding door
- Separate shower with folding door
- Large mirror
- Thetford C-200 toilet cassette
- Separate fittings for wash basin and shower

## Water supply

- Freshwater tank (frost protected) 150 l (50 l\*\*\*\*\*)
- Wastewater tank (frost protected) 100 l
- Valve freshwater indoors
- Pressurised water pump

## Electrical installation

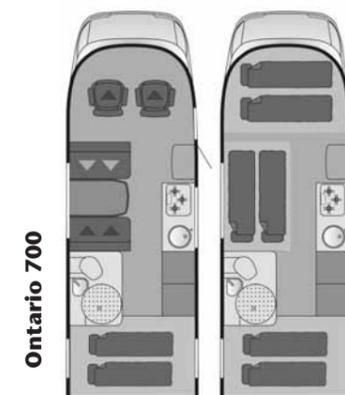

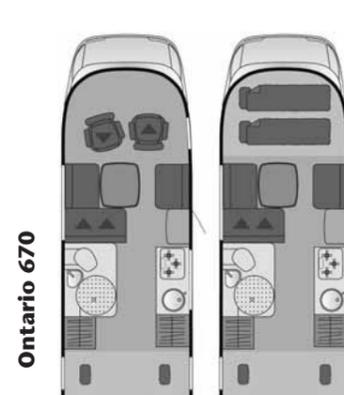

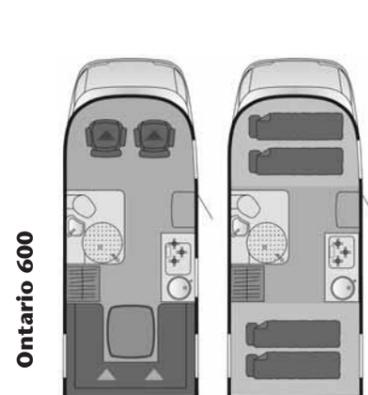

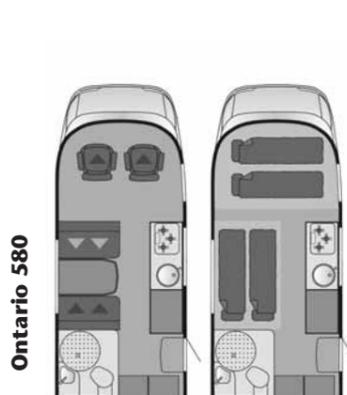

- Electronic control system for superstructure electr. system
- Electronic board control panel with additional functions
- Automatic charger
- Superstructure battery 105 Ah

## At a glance

- 96 kW (130 HP), Multijet 130 - Engine, with 6-speed manual gearbox

- Material design package "Yellowstone" (upholstery cab and body/cushions/curtains/coat rack)
- Umbrella with holder in B-pillar

## Kitchen

- Roller-guided metal slides
- 97-litre Dometic refrigerator
- 3-flames hob with aut. starter

## Toilet room

- Inset wash basin
- Cupboard under the basin with folding door
- Separate shower with folding door
- Large mirror
- Thetford C-200 toilet cassette
- Separate fittings for wash basin and shower

## Water supply

- Freshwater tank (frost protected) 100 l
- Wastewater tank (frost protected) 90 l
- Outflow valve for waste water; heated in technical floor
- Valve freshwater indoors
- Pressurised water pump

## Electrical installation

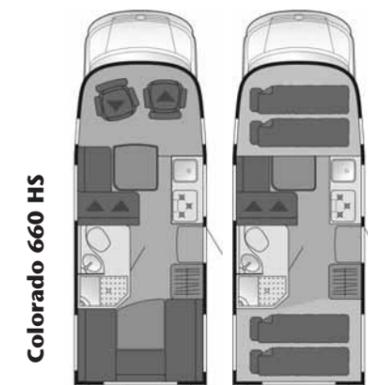

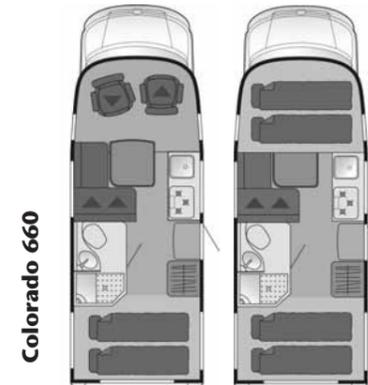

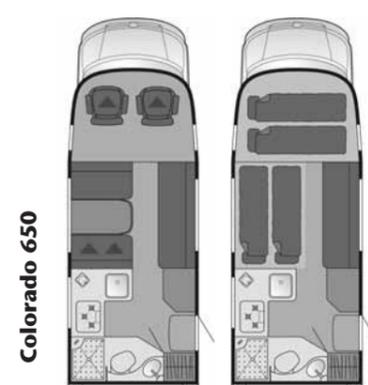

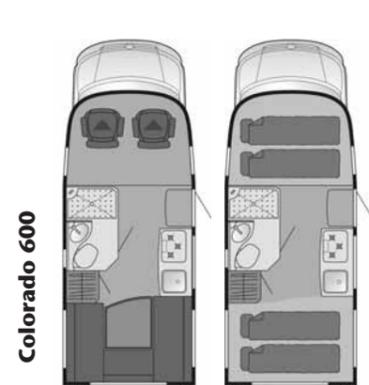

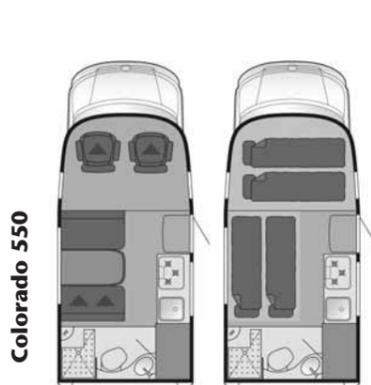

- Electronic control system for superstructure electr. system
- Electronic board control panel with additional functions
- Automatic charger
- Superstructure gel battery 80 Ah

## At a glance

- 75 kW (102 HP), 1,9 l Turbo-diesel, 5-speed manual gearbox
- AL-KO wide wheelbase low-frame Chassis
- Airbag for driver and passenger
- Automotive design with dynamic lines
- GRP walls with rigid polystyrene foam panels
- GRP roof with PU foam and GRP inside
- Winter-proof to DIN EN1646
- Insulated floor compartment for on-board equipment and additional storage space
- Separate shower with folding door

• = Standard equipment - = not available

\* The "technically-permissible total laden weight" stated in the vehicle registration document may never be exceeded for safety reasons.  
 \*\* incl. 75 kg driver, coolant, oil, tools, spare wheel, freshwater, gas bottles, boiler contents, 90 % diesel.  
 \*\*\* The permissible total gross vehicle weight (combined weight) must be adhered to.

Installation of extra components such as roof cases, motorbike carriers, air conditioning equipment, blinds or bicycle carriers into the vehicle supplied with living space superstructure can change the characteristics of the vehicle. In addition, the unladen weight changes if special equipment is installed. Please note the permissible axle load and load reserves. If several items of extra equipment are combined on the vehicle roof, the overall load capacity and the space available must be taken into consideration.

Karmann-Mobil Vertriebs GmbH does not accept responsibility for any negative effects to the vehicle caused by installation of additional equipment not consisting of ORIGINAL KARMANN-MOBIL PARTS and

through installation of additional equipment in a manner which is not consistent with KARMANN-MOBIL GUIDELINES.

We reserve the right to make a difference of  $\pm 5\%$  in terms of measurements and weights. Information regarding scope of delivery, appearance, performance, dimensions and weights of the vehicles accords with the knowledge available at the time of printing. Such information may change prior to purchase of the vehicle. Your dealer will be pleased to inform you of any changes-
