*** The permissible total gross vehicle weight (combined weight) must be adhered to

Standard Equipment Davis

Superstructure

- Superstructure painted in silver metallic
- Roof rails
- Side skirt
- 2-tone furniture design "Maple, White Stream"
- Reading lamps
- Insulation on the side walls and floor
- Electrical boarding step
- Air-Top 2000S Diesel heating
- 3-point safety belts (superstructure) Da 590 FB
- Central locking for the entire superstructure
- "Lagano" upholstery in the superstructure (living room upholstery / cushions / curtains)
- Fitted carpet in the driver's cab and living room
- Large storage space under seating group 540, under fixed bed 590
- Swivel dinette table (540)

Kitchen

- 80-litre refrigerator
- 2-ring hob
- Kitchen cupboard accessible from inside and outside

Toilet room

- Shower
- Cassette toilet
- mirror
- shower mat
- Corner washbasin

Water supply

- Freshwater tank (frost protected) 100 l in the interior
- Wastewater tank (frost protected) 90 l, heated
- Freshwater pipe system frostproof in the interior
- Insulated fixed pipe system for wastewater
- Water pump
- Hot water boiler 10 l

Electrical installation

- Electronic control system for superstructure electr. system
- Electronic board control panel with additional functions
- Automatic charger 20 Ah
- Superstructure battery 100 Ah

• = Standard equipment

o = Special equipment available at extra cost

- = not available

Installation of extra components such as roof cases, motorbike carriers, air conditioning equipment, blinds or bicycle carriers into the vehicle supplied with living space superstructure can change the characteristics of the vehicle. In addition, the unladen weight changes if special equipment is installed. Please note the permissible axle load and load reserves. If several items of extra equipment are combined on the vehicle roof, the overall load capacity and the space available must be taken into consideration.

Karmann-Mobil Vertriebs GmbH does not accept responsibility for any negative effects to the vehicle caused by installation of additional equipment not consisting of ORIGINAL KARMANN-MOBIL PARTS and

through installation of additional equipment in a manner which is not consistent with KARMANN-MOBIL GUIDELINES.

We reserve the right to make a difference of $\pm 5\%$ in terms of measurements and weights. Information regarding scope of delivery, appearance, performance, dimensions and weights of the vehicles accords with the knowledge available at the time of printing. Such information may change prior to purchase of the vehicle. Your dealer will be pleased to inform you of any changes.
